### **FINANCIAL REPORT**

Summer is always a difficult time for churches, with families traveling, not attending on a regular basis and offerings are affected. This summer substantial expenses regarding our facility have impacted us. We are in the process of bringing our entire campus up to code on all fire protection issues. We are also continually maintaining multiple AC units around our facility. As you are aware, we have increased ministry expenses for VBS, Student Camp and Children's Camps and activities during the summer. We are managing the situation as best we can. Please continue to earnestly pray for our finances.

If you are going to be out of town, please consider giving securely online at [fbctomball.org/giving/](http://fbctomball.org/giving/)
