

FIRST BAPTIST CHURCH TOMBALL

March 16, 2020

First Baptist Church Tomball is continuing to monitor the spread of the Coronavirus and following guidelines of local and national authorities as we respond.

We hope you were a part of our live-stream worship service Sunday morning. It was a great morning of worship! Thanks to the team who pulled it all together. We will be worshipping together through livestream on our YouTube channel again this Sunday at 11 am. We will send out a reminder with the link later this week. We are almost to our goal of 150 YouTube subscribers! Thanks for subscribing!

We have several in our FBC family who are reaching out to our homebound members to see if they are in need of assistance with grocery store runs or have other needs. Deacons will be contacting our widows and widowers to check in and see if they have any needs. If you are interested in helping out, please contact the church office.
